

ZenFusion™

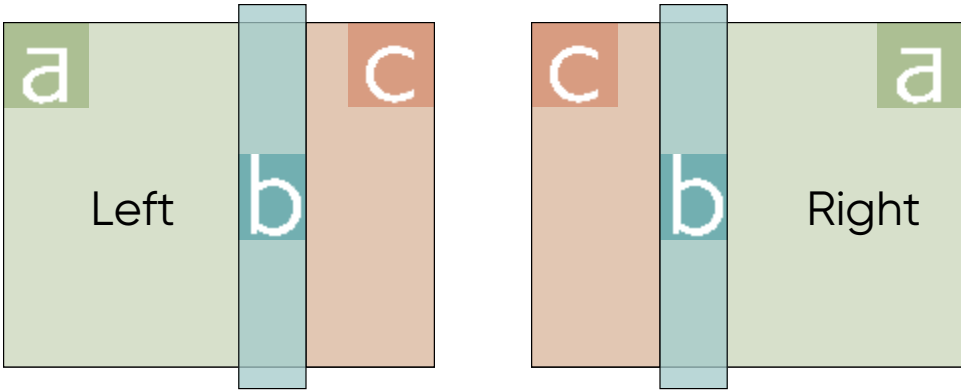

DESIGN * IT * YOURSELF

Create your own ZenFusion™ dimensional landscape by selecting the components yourself from our image galleries. Contract Canvas element A is the base and backing of the landscape with your choice of Acrylic, Aluminum, or Bamboo for elements B and C. Envision and specify a custom artwork as simple as **a b c** Design it yourself-- there are infinite variations!

Choose a Size: Large (54" h x 60" w) or Small (36" h x 40" w).
Choose a Left or Right configuration.

ZenFusion™

D * I * Y

Create your own ZenFusion by specifying the imagery for A, B, and C and the substrate for B and C.

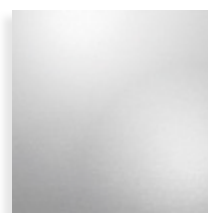

Element A: Contract Canvas (Gallery Wrapped canvas with a hardboard backing and extra protective varnish).

Element B: Select Acrylic, Aluminum, or Bamboo

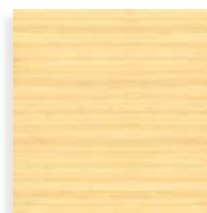

Element C: Select Acrylic, Aluminum, or Bamboo

ACR: Acrylic

ALM: Aluminum

BAM: Bamboo
